   ii) The address and contact No. of the bidder should be clearly written on the outer cover. The outer cover without superscription name and address are liable for rejection.

8) The tender not submitted as specified in the above clauses will be summarily rejected and following conditions should be strictly followed:

9) The sealed tender as specified in the above clauses will be received in the office of the undersigned by registered post / speed post/ Courier service/ by hand addressed by name, (Sri Rabindra Nath Saha, IFS, Ex-Officio Director, Harinalaya, Deer Park, & Deputy Conservator of Forests, Urban Recreation Forestry Division 10A, Auckland Road, Eden Gardens, Kolkata - 700 021.) and shall be opened as per the schedule given in Table –I, by the undersigned or by his authorized representatives in presence of the tenderers or their authorized representatives. The
tender opening can’t be delayed, in case no tenderer or his authorized representatives is present at the given time of opening of tender.

10) The Earnest Money will not be adjusted towards the security deposit. The earnest money of the successful tenderers will be refunded after depositing the security deposit in full. The Earnest Money of unsuccessful tender will be refunded on application within 7 days from the date of application.

The successful Tenderers have to be deposited of Security Money @ 10% in the A/c. No. 37004709906, State Bank of India, Specialised Institutional Banking, Kolkata, IFSC No. SBIN0014524 in favour of the Ex-Officio Director, Harinalaya, Deer Park & Deputy Conservator forests, Urban Recreation Forestry Division within 7(seven) days from the date of acceptance of Tender and a Contract Paper have to be signed in the Divisional Office, otherwise their Earnest Money will be forfeited to the State.

11) The security deposit will be released to the successful contractor/supplier after 1(one) year from the last date of payment of bill for the work, provided no irregularities are noticed during this period. In case of any irregularities, the security deposit will be forfeited and in addition any legal action as deemed fit may be initiated.

12) Validity of the tender will be 1(One) year from the date of submission of the tender.

13) The undersigned reserves the right to place order for work for supply upto 50% more or 50% less of the quantity mentioned in the schedule of the tender.

14) The undersigned reserves the right to cancel the tender, if necessary, without assigning any reason whatsoever.

15) The undersigned is not bound to accept the lowest rate quoted by the tenderer and he is not bound to assign any reason, whatsoever, for such non-acceptance.
16) The undersigned reserves the right to accept the tender only after verifying / testing the sample up to the satisfaction.

17) The undersigned or his representatives will inspect the works, take necessary measurement, and perform the required tests as and when required. The tenderers should render the required co-operation in this regard.

18)*** No part payment will be made in case of works but in case of supply, part payment can be made if the supply is spread over a long period of time.

19) During the inspection by the undersigned or his representative, if the quality of the work / supply is not found up to the standard, the contractor/ supplier is bound to rectify the work or supply up to the satisfaction of the undersigned or his representative. Otherwise, the work order will be cancelled and the security deposit will be forfeited to the Govt. of West Bengal.

20) The work order will be issued only after placement of fund by the Government.

21) No extension of time will be allowed for delivery / execution of the work. The Tenderer / contractor shall not be considered in default, if delay in delivery / execution occurs due to causes beyond his / her control, such as acts of God, natural calamities, civil wars, fire, strike, frost, floods, riot and acts of unsurpassed power. In the event of delay due to such causes, the tenderer may apply to the Sri Rabindra Nath Saha, IFS, Ex-Officio Director, Harinalaya, Deer Park, & Deputy Conservator of Forests, Urban Recreation Forestry Division for extension of time for that period. Sri Rabindra Nath Saha, IFS, Ex-Officio Director, Harinalaya, Deer Park, & Deputy Conservator of Forests, Urban Recreation Forestry Division at his own discretion may extend for a length of time equal to the period of force majeure* or such period as he think suitable for that or may be cancelled. Such cancellation would be without any liability whatsoever on the part of the undersigned.

22) Materials will have to be procured by the tenderers by themselves following the standard and specification of PWD/PHE Schedules of the district, subject to the approval of the undersigned or his Sub-ordinate officers. In case of any material supplied by the department, the cost of such material will be recovered from the contractor.
23) The tenderers are required to inspect the sites, site plans and specifications of the works before submission of the tender and future ignorance of any such item will not be entertained.

24) All works are required to be carried out as per plan and specification & estimate of the project subject to the modification by the undersigned at any point of time during execution of the work duly notified to the contractor/ supplier, within the project cost.

25) Royalty for any material, if obtained from Forest area, will have to be paid by the contractor. Even if the material is procured from other Govt. Deptt’s resources, the receipt for payment of such material must be shown and photo copies to be attached with the bill. Extra payment for such payment of Royalty etc. will not be entertained by the undersigned.

26) All tools & plants required for execution of the works should be procured by the contractor at his own cost. The standard of such tools & plants will be as per the specification of the P.W. Dept/ P.H.E.

27) Bricks works, cement concrete works & plastering works and similar works which requires should be done for the period as prescribed in the P.W.D. Schedule of Rates.

28) Statutory Deduction : Income Tax, GST, Labour Welfare Cess as applicable shall be deducted from the Gross amount of Bill.

29) The successful tenderer will not assign any part of the work to any other contractor.

30) The successful tenderer may, however authorize any person to supervise the day to day work, attend the measurement when taken by the undersigned or by his authorized Officer and record his signature on the work measurement note books.

31) Rate offered in the estimate is the final and tenderer will not have any further claim.
32) The acceptance of the tender will be subject to the receipt of the approval of the higher authorities and availability of fund. The undersigned will not be responsible for any loss sustained by the tenderer in the event of non receipt of Government sanction.

33) The payment of bill for any work will be made according to the availability of fund and approval of higher authorities wherever applicable and no claim to delay in payment will be entertained.

34) The terms and conditions of this “Tender Notice inviting tender” is part and parcel of the contract form.

35) In case of any dispute in execution of the work or supply, an application may be made to the Deputy Conservator of Forests, Urban Recreation Forestry Division and the decision of the undersigned is final and binding.

36) The technical evaluation will be done by the committee as formed by the undersigned vide his Office Order No. 642/28-282 dated 31st March, 2017.

37) The project cost floated in the tender shall include applicable GST within it and TDS under GST shall be deducted as applicable. Income Tax will be deducted from bill amount (excluding GST amount) as applicable.

38) Contingency will be at the disposal rules.

39) Work order will only be issued after getting approval from appropriate authority & subsequence release of fund for the same.

12.2.1 The contractor shall deploy all the experienced skilled, semiskilled and unskilled workmen required for all the works under this specification.

12.2.2 The supervisory staff including qualified Engineers deployed by the contractor shall ensure proper out-turn of work and discipline on the part of the labour put on the job by the contractor and in general see that the works are carried out in a safe and proper manner and in coordination with other labour and staff deployed directly by WBZA or other contractors of WBZA / other agency.

12.2.3 During the course of construction, if the progress is found unsatisfactory, or in the opinion of WBZA, if it is found that the skilled workmen like welders, fitters, technicians etc. deployed are not sufficient, contractor shall arrange more work force to cope up progress.

13.0 **MATERIALS**

13.1 **WBZA will not supply any material.** All the material arranged by the contractor shall conform these specifications and supported by the documentary proof for purchase of material from the authorised dealer and source.

13.2 All materials to be provided by the contractor shall be of best kind in conformity with the specifications laid down in the contractor or as per relevant Indian Standard/PWD SOR.

13.3 It shall be the responsibility of the contractor to obtain prior approval of WBZA, regarding suppliers, type of electrodes etc. before procurement of welding electrodes / TIG wires. On receipt of electrodes at site these shall be subjected to inspection and approval by WBZA. The contractor shall inform WBZA details regarding type of electrodes, batch No., date of expiry etc. and produce test certificate for each lot / batch with correlation of batch / lot number with respective test certificate. Without valid test certificate, the use of welding electrodes is prohibited.

14.0 **Stacking and Storage of Materials**

14.1 Fine Aggregate- it should be stacked on a dry brick pavement floor and should be made fit as per the required Zone by mixing the missing sizes. **Work will be done with good quality materials.** The detail of stacking, cleaning etc should be done as per PWD SOR and Zone should be followed as per IS Code.

14.2 Coarse Aggregate- it should also be stacked over the Brick pavement.

14.3 Reinforcement Steel- it should be placed as per the direction of the Authorized person of the Director.

14.4 The cement should be placed in dry room over wooden floor as per the direction/ PWD SOR. The cement brand, Date of Manufacturing etc all the details must be clearly visible over the waterproof bags of Cement.
NOTE:
It is to ensure while collecting the above materials for mixing that the natural surface soil is not mixed up with the above materials. If so happened, then it must be kept aside and should be washed before prior use.

15.0 Grid Layout Layout plan-
It should be got approved at site before commencement of work before excavation of foundation and got approved by Director’s Authorized Person.

16.0 SITE DRAINAGE

16.1 All water including sub-soil water which may accumulate on the Site during the progress of the works or in trenches and excavations, including monsoon period shall be removed by the contractor from the Site to the satisfaction of the Engineer. It will also be responsibility of the contractor to de-water the foundation pits, trenches with suitable de-watering methods like, pumping out, well point system etc. considering the depth of water table at plant site. All such expenditure on de-watering shall be deemed to be included in quoted rates.

Note- the casting of concrete work at shallow water ground level, the dewatering should be on continuous process at such location extra use of cement in concrete 10%-12% shall be insure as per IS code without any extra cost, same should be included in quoted rate.

19.0 MATERIAL OBTAINED FROM EXCAVATION

Materials of any kind obtained from EXCAVATION on the Site shall remain the property of WBZA and shall be disposed of as the Engineer may direct, at no extra cost.

20.0 TREASURE, TROVE, FOSSILS etc.

All fossils, coins, articles of value or antiquity and structures and other remains or things of geological or archaeological interest discovered on the site shall be the absolute property of WBZA and the Contractor shall take reasonable precautions to prevent his workmen or any other person from removing or damaging any such article or thing, shall immediately upon discovery thereof and before removal acquaint the Engineer with such discovery and carryout the Engineer’s directions as to the disposal of the same.

21.0 PROTECTION OF WORKS

21.1 Trees designated by the Engineer shall be protected from damage during the course of the Works and earth level. Where necessary, such trees shall be protected properly.

21.2 The contractor shall provide and maintain at his own expense all lights, guards, fencing and watching when and where necessary or required by the Engineer for the protection of the Works or for the safety and convenience of those employed on the Works or the public.

21.3 The contractor shall have total responsibility for protecting his works till it is finally taken over by the Engineer. No claim will be entertained by the Engineer for any damage or loss to the contractor’s works and the contractor shall be responsible for the complete restoration of the damaged works to its original condition to comply with the specifications and drawings. Should any such damage to the contractor’s works occur because of other party not under his supervision or control, the contractor shall make his claim directly with the party concerned. The contractor shall not cause any delay in the repair of such damaged works because of any delay in the resolution of such disputes. The contractor shall proceed to repair the work immediately and no cause thereof will be assigned pending resolution of such disputes.

21.4 Contractor shall be fully responsible for the security of his workmen/employees/associates/all kinds of materials deployed by the contractor/tools and plants. Contractor shall also be responsible for the security of all the executed works, under execution works and completed works till the period it is fully taken over by WBZA.

22.0 RECORD FOR MATERIALS CONSUMED

The contractor shall maintain and furnish to the Engineer the RECORD OF MATERIALS consumed in the works for each activity. The statement showing the theoretical vis-à-vis actual consumption of specified materials, such as
structural /reinforcement steel, cement, bitumen, lead, paint etc., shall be enclosed along with the Running Bills submitted by the contractor. Contractor has to also furnish the test results of the materials used in the work as per IS specifications.

23.0 PROTECTION OF EMBEDMENTS BOLTS ETC.

The contractor shall ensure proper protection to the satisfaction of the Engineer, of all bolts, inserts, embedment’s etc. from weather etc/ by greasing, rapping them with gunny bags or canvas or by any other means as directed by Engineer. Cost of such protections shall be deemed to be included in the rates quoted for the item.

24.0 QUALITY ASSURANCE

The contractor has to establish / arrange at site the field testing facilities for testing of civil construction materials and concrete cubes for ensuring the proper quality, grade and strength of the materials used in the construction in line with approved field quality check list of WBZA. Contractor has to submit detailed report for testing of all material used etc. All testing shall be done as per IS code specifications/ WBZA’s quality plan. If further test is required by the engineer to be carried from outside laboratory, the cost of the same shall be borne by the contractor.

25.0 METHOD OF MEASUREMENT-

Method of measurements shall be as per standard specification included in the tender. For other items, measurement shall be as per relevant IS CODE.

PART – C

GENERAL TERMS AND CONDITIONS

1.0 DEFINITION OF TERMS

Throughout the Tender Documents including the Enquiry Letter, the following words shall have the meanings assigned to them herein, unless the subject matter or the context requires otherwise.

Any conditions or terms stipulated by the Tenderer in the tender documents or subsequent letters shall not form part of the Contract unless specifically accepted in writing by WBZA in the Letter of Intent and incorporated in the Agreement. It may also be referred as 'Contract Document'.

1.5 The 'Sub-contractor' shall mean the person/firm/company/organisation to whom any part of the work has been sub-contracted by the Supplier, with the written consent of the Purchaser and shall include his heirs, executors, administrators, representatives and assigns.

1.6 The 'Engineer', for the purpose of this Contract shall mean an engineer, person or company duly appointed as
such from time to time or such other officials as may be duly authorised and appointed and notified in writing by purchaser to act as engineer. In cases where no such Engineer has been so appointed, the word 'Engineer' shall mean the Purchaser or his duly authorised representative. It may also be referred to as **Engineer -in -Charge**.

1.7 The 'Equipment' shall mean and include plant and stores on which work is to be done by the Contractor under the Contract.

1.8 The 'Work' shall mean and include supply of all categories of labour, specified consumables, tools and tackles required for complete and satisfactory construction, site transportation, handling, stacking, storing, erecting, testing and commissioning of the equipment; as defined in the Tender Documents, to the satisfaction of WBZA. It may also be referred as 'CONTRACT WORK'.

1.9 The ‘Tender Document’ shall mean and include the instruction to Tenderers, general conditions, bidding conditions, specific conditions, specifications, schedules, drawings, form of tender, schedule of prices and quantities, contained in the Tender and any subsequent modifications thereof. It may also be referred as 'Tender Specification'.

1.10 The 'Offer' shall mean and include the technical and commercial documents including specifications, schedule of prices and quantities, drawings etc submitted by the Tenderer in response to the tender enquiry and any subsequent clarifications thereof. It may also be referred as 'Bid'.

1.11 ‘Acceptance of offer’ shall mean issue of letter of intent/award or memorandum or detailed Order/Contract communicating the acceptance of offer, to the successful Tenderer.

1.12 The 'Letter Of Intent' shall mean the intimation by a letter / fax to the Tenderer that the tender has been accepted in accordance with provisions contained in the letter. The responsibility of the contractor commences from the date of issue of this letter and all the terms and conditions of contract are applicable from this date.

1.13 The 'Site' shall mean the site of the proposed work at place for which NIT published by the DIRECTOR WBZA .

1.14 The 'Completion Time' shall mean the period specified in the Letter of Intent or date mutually agreed upon for completing the work to the satisfaction of the Engineer, being of required standard and conforming to the specifications of the Contract including extension period.

1.15 The 'Tests' shall mean and include such test or tests to be carried out by the Contractor as are prescribed in the Contract or considered necessary by the Director WBZA in order to ascertain the quality, workmanship, performance and efficiency of the contracted work or part there off.
AFFIDAVIT – “Y”

(To be furnished in Non Judicial Stamp paper of appropriate value duly notarized)

1) I, the under-signed do certify that all the statements made in the attached documents are true and correct. I have all machineries as per NIT & all will be at site during entire period of work. In case of any information submitted proved to be false or concealed, the application may be rejected and no objection/claim will be raised by the under-signed.

2) The under-signed also hereby certifies that neither our firm M/S…………………………………………………………… nor any of constituent partner had been debarred to participate in tender by the any Government Department during the last 3 (three) years prior to the date of this N.I.T. I/We have presently ........... nos of works in my hand & I would finish the work in time.

3) The under-signed would authorize and request any Bank, person, Firm or Corporation to furnish pertinent information as deemed necessary and/or as requested by the Department to verify this statement.

4) The under-signed understands that further qualifying information may be requested and agrees to furnish any such information at the request of the Department.

5) Certified that I have applied in the tender in the capacity of individual/ as a partner of a firm/authorized representative of company or society and I will not handover the job to any other person except my employee to supervise.

Signed by an authorized officer of the firm.
