The Contractors shall keep the Employer saved, harmless and indemnified against claims if any of the workmen and all costs and expenses as may be incurred by the Employer in connection with any claim that may be made by any workman. The Contractor shall arrange to provide first aid treatment to the labourers engaged on the works. He shall within 24 hours of the occurrence of any accident at or about the site or in connection with execution of the works, report such accident to the Employer and also to the competent authority where such report is required by law.

11. Temporary Water Supply:
The Contractor shall make suitable arrangement for supply of water for the work. The Contractor shall have to make their own arrangement for carrying water at the work site.

12. Clearing Away:
All rubbish and superfluous materials either from Contractor's own work or from works of other agencies shall be removed from the work site on completion to the satisfaction of the Tender Inviting Authority. The Contractor shall not without the written consent and approval of the Tender Inviting Authority assign the agreement or sublet any portion of the work.

14. Agreement:
The successful Tenderer shall have to enter into an agreement with the Tender Inviting Authority. Stamp duty and all other costs connected with execution of such agreement shall be borne by the successful Tenderers.
15. Materials:
The selected Contractor must arrange to procure all materials required for the proper completion of the work. The Tender Inviting Authority will not on any account be responsible for procuring the same. The non-availability of the above materials shall not in any way be considered to be an excuse for the extension of time.

16. Method of Measurement:
Unless otherwise mentioned in the schedule of quantities the measurement will be net quantities of the work produced in accordance with the up-to-date rules laid down by the Indian Standard Institution. In the event of any disputes with regard to the measurement of work executed the decision of the Tender Inviting Authority shall be final and binding.

17. PAYMENT:
RUNNING ACCOUNT PAYMENTS:
Payment on Running Bills, at the discretion of the Tender Inviting Authority, shall be made to the Contractor on the bills certified by the Representative of the Tender Inviting Authority. All bills shall be prepared by the Contractor in the form prescribed by the Tender Inviting Authority. For this purpose, the Contractor must submit his/their R.A. Bills in the proper form duly accompanied by detailed measurements of works done and showing the deductions for previous payment received by him and also the deduction towards cost of materials(if any), supplied by the Tender Inviting Authority, the contractor shall be paid against measured bills only. Intermediate payments shall be regarded as payments by way of advance against the final payment any and not preclude the requiring of bad unsound and imperfect or unskilled work to be demolished, removed and taken away and reconstructed, or to be any part thereof in any respect or the accruing of any claim, nor shall it conclude, determine or affect in any way the powers of the Tender Inviting Authority, under these conditions or any of them so as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract. Payment on R.A. Bill will be made after deduction of statutory deductions like, I.Tax, Labour Welfare Cess, CGST & SGST etc as per rule. Payment on materials stocked at site shall not be made. Payment of supplementary items shall only be made after those one entered properly in the site instruction book, approved and sanctioned by the Employer.

18. Final Payment:
The final bill shall be accompanied by a certificate of completion from the supervision Officer. Payment of final bill shall be made within a month of submission of the same. The acceptance of payment of the final bill by the Contractor would indicate that he will have no further claim in respect of the work executed. The security money shall be refunded after 180 days from issue of completion certificate that the Contractor has rectified all defect, to the satisfaction of the Tender Inviting Authority.

19. Substitution:
Should the Contractor desire to substitute any materials and workmanship, he must obtain the approval of the Tender Inviting Authority, in writing for any such substitution well in advance. Materials designated in this specification indefinitely by such terms and ‘Equal’ or other Approved etc. shall be considered as coming under the provisions of this clause as substitutions and no such materials shall be used until specific approved by the Tender Inviting Authority has been obtained in writing.

20. Commencement and Completion of Work:
EXTENSION OF TIME AND LIQUIDATED DAMAGES FOR DELAY:
The entire work is to be completed in all respects in stipulated times as mentioned in the tender Notice from the date of issue of work order. Time is essence of contract and shall be strictly observed by the Contractor. The date of commencement of the work shall be the date on which the work order is issued to the Contractor or the date when the Contractor take possession of the site officially whichever is later. The Contractor shall complete the work in all respects to the satisfaction of Tender Inviting Authority within the stipulated time, failing which the contractor shall be bound to pay compensation @ 0.5% (half percent) over the total tender value of work for delay of every week or part of a week by way of liquidated damages and not as penalty. Provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% of the contract price. The payment of deduction of such damages shall not relieve the contractor of his obligation to complete the work or from any other obligation and liability under the contract. The contractor shall within 5 (Five) days of receipt of intimation that his tender has been accepted to submit the Tender Inviting Authority an abstract programme of work so drawn as would enable him to complete the work within the time contemplated. The abstract programme must indicate the work within the time contemplated. The abstract programme must indicate dates of starting and completion of respective parts of sections of the work. The abstract programme would be subjected to the approval of the Tender Inviting Authority who will have the power of making such modification there in as found necessary. The actual progress as compared with this chart will be reviewed periodically. If the contractor be delayed in the progress of the work by exceptional weather condition, civil commotion, strike or lock-outs, fire, unusual delay in transportation of unavoidable casualties, act of public enemy, acts of the government, any acts of the authority or of another contractor in the performance of his contract with the employer or any other causes beyond the contractor’s control, the contractor shall apply in writing to the Tender Inviting Authority for an extension of time of the completion of work or the part or section concerned within 10 (Ten) days of such occurrence, but before the expiry of the stipulated date of completion. The Tender Inviting Authority shall on such application make an enquiry and may grant such extension of time as they think justified. The decision of the employer in this respect shall be
final and binding on the contractor. The work shall not be considered as completed until the Supervision Officer has certified in writing that they have been completed.

21. Escalation of Prices:
The rates quoted by the Contractor shall be firm throughout the tenure of the contract (including extension of time, if any granted) and will not be subject to any fluctuation due to increase in cost of materials, labour, sales tax, Octroi etc.

22. Damage to Persons and Property/Insurance in respect of:
