Sub: Uncleared balances under P.W. Remittances and Forest Remittances despite abolition of LOC system

Prior to April 2014, the funds related to Works and Forest Expenditure were released to works executing departments like PWD, Housing, PHE, Irrigation, Agri Irrigation etc. and Forest Departments through the Letter of Credit (LOC) System. These were eventually passed on to the Engineering and Forest Divisions for incurring works and forest related expenditure. These Divisional Officers were responsible for rendering compiled accounts monthly to Office of the Accountant General (A & F), West Bengal based on the Receipts and Expenditure incurred by the Divisions. However, subsequent to the introduction of Integrated Financial Management System (IFMS) in the State, the Government of West Bengal discontinued the LOC System for execution of Works and Forest Expenditure and brought the working of the Works and Forest Divisions under the ambit of the Treasury System through allotment of funds with effect from 1st April, 2015.

In LOC system, an intermediate Major Head 8782 (Cash Remittances and adjustments between officers rendering accounts to the same Accounts Officer) was operated with Minor heads “102” for P.W. Remittances and “103” for Forest Remittances with the following sub-heads.

<table>
<thead>
<tr>
<th>Sub-Head description</th>

Audit noted that these sub-head carried balances even after the LOC system was dispensed with. The following Table indicates the balances lying under these Heads from 31 March 2016 onwards.

For necessary action.

Thus uncleared balances of ₹41,191.27 lakh (PWD Remittances ₹38,629.60 lakh + Forest Remittances ₹2,561.67 lakh) remained under these heads though three years have elapsed since the abolition of LOC system. These balances pertain to periods as early as pre 1984-85. It is to be noted that two of these balances have impact on the cash balance of the government. In case of Subhead II, the unencashed cheques had long lost its validity considering that cheques are not valid beyond three/six months of its issue. The reasons for non-clearance of these balances may please be stated.

Necessary steps may be taken to clear these balances.
