Sub : Final presentation on Applied Research and Innovations in the Forest Directorate.

Ref. : This Office Memo Nos.5928/CS/2M-1366/18 dt. 13.09.18 and 6826 dt.10.10.18.

Sir/Madam,

The topics for Applied Research and Innovations in the Forest Directorate were communicated to you a year back on 5th March, 2018 and you were asked to complete your research project within 6 months and submit your research findings in both hard and soft copies to this office. In between, you were also asked to give 3-4 pages write up for popular reading for publishing the same in Bonobithi. Some officers have complied with our directions and few articles were published in 2 Bonobithi publications. Now as more than a year has passed, it is a time to complete and close the study and submit your report.

Keeping this in mind, a one day workshop will be held on 5th April, 2019 at 10.30 AM, in the conference hall of Forest Rest House at AE-391, Saltlake, Kolkata.

You are, therefore, requested to attend the said workshop and give the presentation and handover the hard and soft copies of your Applied Research and Innovations in the Forest Directorate to Dr Anupama, IFS, CCF, Hqrs., / Dr A P Singh, IFS, CF, APM. Each presenter will be given 10 minutes time followed by 5 minutes discussions.

You are also requested to inform your guide about the presentation and also request him to attend the presentation.

Yours faithfully,

(N K PANDEY)

Principal Chief Conservator of Forests &
Head of Forest Force, West Bengal
