Sub: Annual Administrative Report- Reconciliation of Figures pertaining to Roads

Please find abstract from the 'Annual Administrative Report pertaining to Forest Roads you have been providing data of forest roads. The figures appear unrealistic.

Now, all DFOs are requested to check the information keeping the following in consideration-

1. Only the roads being managed by the Forest Directorate should be recorded as forest roads. National highways and State highways passing through forest areas should not be recorded as forest roads.
2. Foot tracks are officially not recorded. So the estimate should be realistic.

The information is requested by 15th of March, 2019 to enable us to compile.

All Circle In Charges are requested to co-ordinate the exercise.
